Mr. Paul Richardson
President
Russian Information Services
City Center
89 Main Street, #2
Montpelier, Vermont 05602

Dear Mr. Richardson:

While I was in Russia this summer, I had many occasions to see and encourage potential business opportunities for Vermont companies in Russia. In the enclosed photograph, I am presenting Anatoliy Sobchak, the Mayor of St. Petersburg, with the map of his city that you graciously provided.

Thank you for allowing me to show the leaders of Russia the outstanding products that Vermont has to offer.

Sincerely,

PATRICK LEAHY
United States Senator
